MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

BUILDING UPDATES

1) **The window near the back of the church** was broken by
vandals one week after Easter. It will take until the end of August
to get the window manufactured and installed. The actual cost of
the project is over \$8,000. Insurance will cover \$7,000. The
parish will be responsible for \$1,000.

2) We have signed a contract to upgrade **the control system on
the church's heating and air-conditioning system**. This will be
more energy efficient, but it will cost about \$24,000. But we
should be able to recoup this in a few years because the cost of
electricity to run the church and rectory is currently about \$30,000
and the cost of a kilowatt is expected to go up significantly in the
future. The project is funded by your contributions to the Family
of Faith campaign.

3) **The lights in front of the church** have not been working since
about February. The problem is that a wire under the sidewalk has
ceased to work. We have contacted the electricians and they
should be here in the coming weeks to fix the lights.

St. Michael's Cathedral Temporary Closure

St. Michael's Cathedral, mother church of the Archdiocese of
Toronto, is temporarily closing its doors as part of its extensive
restoration efforts that have been ongoing for the past three years.
The next phase of restoration will require its closure full-time to
allow for work that will preserve the cathedral for years to come.
Daily Mass will continue to be celebrated in St. John's Chapel, a
small worship space accessible from 200 Church Street. Nearby,
St. Paul's Basilica will provide additional weekend Masses
beginning in July, featuring music from St. Michael's Choir
School to accommodate the cathedral closure. Please visit
www.stmichaelscathedral.com for additional resources.
A time line has been forecast as follows:

June 17, 2015 – mid-December 2015 - full closure of

St. Michael's Cathedral.

Mid-December 2015 – January 2016 - cathedral will open

briefly pre/post-Christmas.

January 2016 – March 2016 - full closure of St. Michael's
Cathedral.

March 2016 – September 2016 - cathedral will open prior to
Holy Week and Easter, remaining open while work continues
through September 2016.

September 29, 2016 – goal to complete this phase of restoration.

This date is also the Feast of St. Michael, patron saint of the
Archdiocese of Toronto.
