## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

## HOLY FAMILY CHURCH

Dear Parishioners and Friends of Holy Family Parish:

**It was wonderful to see so many of you on Sunday!** And a great big thank-you to the volunteers who made it possible by cleaning the church and helping parishioners to adjust to the present situation! Please tell your friends that the church doors are open.

The weekday and Saturday morning schedule remains the same as before the lockdown. There is no need to register for these Masses. But we encourage you to read to consult the Oratory's [Covid protocol page](#) before coming.

**There is a need to register for the Saturday evening and all Sunday Masses.** The registration process is explained on the [same page as above](#)

### **The Oratory Summer School**

Usually we start advertising the Oratory's Summer School in April. This year, we are a bit late because we were not sure if and how it could happen during the pandemic. But we now have a plan and we are excited about it.

**We have decided to offer the program through Zoom.** If the legislators allow us to have people on premises, those who register through Eventbrite can come to the classes in person (as long as the numbers do not go beyond the social distancing limits in force at the time). And all who register can watch through Zoom. All the material will be recorded and kept online for a week, so that those whose work schedules did not allow them to attend summer school in past years, can now benefit from this program.

All the other details about the program: dates, topics, cost, registration procedures, etc. can be found [here](#).

Please feel free to pass on the information to others. And remember that it makes sense to send this to relatives and friends who live far away, even in different time zones!

Sincerely yours in Christ,

Fr Martin Hilbert  
Pastor
