MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

WEEK 2 (JULY 10-14):

'The Church and Non-Believers'

Our Lord's last words to his disciples were to go to all nations. The Church, from its very origins, was intended for all: it is Catholic, or universal.

But this universal mission has raised many issues for the Church. How do we proclaim Christ's truth to a non-believing world? How far should we accommodate the cultures and traditions of those we are evangelizing? How closely should we ally ourselves with secular authorities?

These are the questions that the great missionaries of the Church have answered, not merely in theory but in practice. This living tradition will provide a strong and faithful foundation for The New Evangelization the Church has encouraged.

Participants should have completed the First Session (Introductory Survey), either this year or previously.

Class begins at 8:30 a.m. Mass is at 10:00 a.m., followed by a coffee break. The second class is at 11:00 a.m., followed by lunch at 12:30 p.m. The final class of the day begins at 1:15 p.m. and finishes at 2:45 p.m. Application forms are available at the rectory.

Working wonders for those who need help in our neighbourhood...

"We still can't believe how lucky we are to have our baby boy! After trying to conceive for almost 4 years, we became pregnant with the assistance of FertilityCare Toronto. I had a history of endometriosis and as a result went through 4 surgeries from the age of 18 to the age of 31. After the last surgery, my obstetrician said she didn't know why I wasn't getting pregnant and that we should just go for invitro fertilization instead. She basically washed her hands of us and our situation. Our friends had heard about ShareLife-supported FertilityCare Toronto and we figured it was worth a try. After only two effective cycles, we were pregnant! I was closely monitored through regular blood work the entire pregnancy and at 38 weeks and 3 days, I delivered our healthy and happy baby boy. **Words cannot express how grateful we are to FertilityCare Toronto staff for all their assistance,**" shares proud parents, Amy and Ted.

**Today is ShareLife Sunday
 Thank you for your generosity.**

Good Bye -- Hello Music News at the Oratory

Philip Fournier, who has been with the Oratory for almost ten years, first at St Vincent's and now at Holy Family, will be leaving us to pursue another passion, novel writing, in his native state of Maine. His last day with us will be June 18. We are very grateful for all the work that he has done and will remember him fondly. We are also grateful that he gave us a year's notice so that we could find a suitable replacement. Dr Aaron James, a native of Toronto, with a doctorate in music from the University of Rochester, will begin his tenure on the same day. All are welcome to a reception in the parish hall **after the 11 a.m. Mass on Sunday, June 18**, to say "Good Bye" to Philip and "Hello" to Aaron. This is also a great opportunity to say "Good Bye" to Philip's wife, Rene. She has been a great support for the children's choir, the altar boys, and, as registrar, to Saint Philip's Seminary.
