## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### SHHHHHH!!! PRIVACY RULES AT WORK

It used to be possible for a priest to walk into the hospital and ask to see patient lists in order to visit Catholics and give them the sacraments. Not any more, not even in a Catholic Hospital! Unless you indicate on admission to a hospital that you are a Catholic, a priest will not be notified, not even the official chaplain in the hospital.

#### IF YOU ARE TO BE ADMITTED FOR SURGERY ...

Call your parish priest prior to your admission. Upon admission at the hospital identify your religion as Catholic. If you do not, no priest or deacon will be informed, and thus will not be able to visit you. Carry a card requesting the services of a priest so that if you arrive at an Emergency room you can be cared for spiritually. It is recommended that you have a medical card that identifies your Power of Attorney.

**Please turn off your cell phone before entering the church, or switch it to silent/vibrating mode.**

#### SHARELIFE 2016

#### *Working Wonders with families in our neighbourhoods ...*

A few years ago, Lauren was hospitalized at 16 years of age after receiving a severe beating from her mother. The violence had been going on for several months, and Lauren was afraid to talk about it. Eventually, her mother faced charges of abuse and Lauren was removed from her family's home. She came to Sancta Maria House looking for a more permanent, safe place to live. Lauren spent that last 2 years here and has made many positive gains. Through the counselling of supportive staff, she was able to let go of the anger from her past and focus on making a bright future for herself. Lauren is grateful for all of the devoted staff at ShareLife-supported Sancta Maria House for making such a wonderful difference in her life. **Last year, ShareLife-supported Family Service agencies provided family counselling to over 5,100 people in the Greater Toronto area.**

**Thank You for Your Generosity.**
