## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

## A/C Update

The saga continues. The system may be working by the time that you read this, but last Saturday, the workmen turned it on only to discover smoke coming from one of the control transformers. So they turned it off and tried to find a replacement. I am told that the replacement has to be ordered from the United States and should be here by Thursday, if it does not get held up in customs. **Oremus.**
