MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Living the Gospel by supporting ShareLife

How do we "Live the Gospel" toward others when our daily lives are so busy? For some it's volunteering at a soup kitchen, or it may be caring for an elderly relative. If we do not have the time to actively participate, we can support the many ShareLife-funded agencies within our community that bring the hands of Christ to those in need. Over the coming weeks, reflect on your ability to help "Live the Gospel" through Catholic agencies, and make a decision to support our ShareLife parish campaign.

This year's Collection Dates are:

April 18, June 20 & October 3

Please give generously.
