MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SHARELIFE 2014

FIRST SHARELIFE SUNDAY – MARCH 30, 2014

Together we are continuing to work wonders...

"Our Pope has described charity as "the true force that changes the world." This statement is definitely true when we talk about ShareLife, the primary charitable appeal of our Archdiocese. Through our active involvement in ShareLife, we reach out to some of the most vulnerable, marginalized and needy people in our midst. We also help our neighbours, friends and fellow parishioners as they work through difficult times. In our region, we have the chance to exercise Catholic charity in a true meaningful way. Please consider supporting ShareLife, the annual fundraising appeal of our Archdiocese, during this Lenten season." — Thomas Cardinal Collins, Archbishop of Toronto
