MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Cardinal Collins encourages Catholics throughout the archdiocese to visit CanadiansforConscience.ca and support the Coalition for HealthCARE and Conscience. The coalition represents a group of like-minded partners, including 5,000 doctors across Canada, who are committed to protecting conscience rights for health practitioners and facilities. You can use this website to write directly to your Member of Parliament, respectfully expressing your concerns. Given tight timelines for this legislation, please take action no later than April 1, 2016.
