## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

### Working wonders for those in our community

"When Robert completed high school, there were very few options available to him. Of those options, many were inaccessible due to their remote location and lack of transportation services. We were blessed to find St. Jude's Academy of the Arts. It has been a valuable life saver for Robert and his family. The positive social interaction of St. Jude's has allowed Robert to grow and mature as a person. He has become more independent. St. Jude's educational program has a wonderful, positive impact on Robert and others like him. We are truly grateful for their existence!" Last year, over 43,000 services were provided to people with special needs from ShareLife-supported agencies.

**Next ShareLife Sunday - April 12, 2015**

**Please give generously. You can work wonders!**
