MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Working wonders for the elderly ...

Retired long-term and recently experiencing the passing of his wife, Jamie has adjusted his life again by moving to Les Centres d'Accueil Héritage. As CAH is the only French-speaking retirement home in Toronto, Jamie is drawn by the camaraderie of other French-speaking friends. He may be alone at this time in his final years, but in the activities and friendship there gave Jamie the love and support he needs to live happily as he freely shares his life stories with around him. Last year ShareLife-supported agencies provided outreach programs that met the needs of over 2,200 seniors.

Thank you for your generosity.

You can work wonders!

AT THE BOOKSTALL

NOT FOR THE FAINT OF HEART

A wonderfully produced book of Catholic (and I mean CATHOLIC) poetry by Anna Rist is available at the bookstall for only \$20. It is not light verse, and there is not a limerick in the bunch, but for aficionados of deep, serious thought artistically presented this is a gem.
