MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

TODAY IS SHARELIFE SUNDAY

Working Wonders for people in out homes and parishes ...

In 2012, Nadia was brought to Street Haven's emergency shelter by the police. She was an immigrant from India and had been locked in a garage by her husband and mother-in-law for two years, rarely able to visit the two children. Upon her arrival at Street Haven, Nadia thrived. She slowly built trust with the counselors, participated in household responsibilities, and loved looking after the gardens. Her counselor set Nadia up with a lawyer and after a year of legal consultations, she received custody of her two children.

Street Haven helped them find housing and Nadia and her children now live in a beautiful, safe home where they have started a new chapter in their lives.

Thank you for your generosity. You can work wonders!
