MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Working wonders in the whole community ...

"Now in its 39th year of helping the whole community, the number of agencies funded by ShareLife's annual appeal has increased significantly in reflecting the growing local social needs. The reality is there are more people relying on ShareLife today than ever before! I firmly believe we can continue to offer them a helping hand if we all participate. ... My prayer is that the Lord will help us all to share our time, talents and treasure with a generous spirit."
