MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

The Shepherds' Trust
Caring for those who always cared for us.

There will be a second collection today for The Shepherds' Trust.

The Shepherds' Trust raises funds so retired priests are provided with sufficient financial resources to lead a dignified life after many years of ministry. The trust supports the needs of the retired clergy of the Archdiocese of Toronto who have served the faithful for many years. Through our support of The Shepherds' Trust, retired priests are given the dignity of adequate income, healthcare and other assistance in their golden years.
