MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

500 years ago on November 1, Martin Luther presented his 95 theses and forever changed the world's view of the Church. But the Church did not remain silent through the sudden shift.

Discover the stories of six great saints who spearheaded the Church's rebirth after the turbulence and confusion caused by the Protestant Reformation. Dr. Christopher Blum leads this comprehensive study program to present a specifically Catholic worldview that addresses the Protestant Reformation.

The Shepherds' Trust
Caring for those who always cared for us.

As members of our Catholic community, we regularly benefit from the tireless service of our priests. Called by God and ordained to care for His people, our priest serve our families in churches, schools hospitals, nursing homes, missions and on the streets. The Shepherds' Trust ensures our priests can live their retirement years with dignity. This fund does more than support our priests in their twilight years: it represents a tangible gesture of thanks for the blessings we have received. **The Shepherds' Trust collection will take place at all Masses next Sunday.** Envelopes are available in the bulletin and in the narthex.

Your generosity is greatly appreciated.
