MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

We pray for peace in Ukraine and in the Middle East, especially in Israel and Palestine. For all those who are living through terror, war, anguish and violence, we pray to the Lord.

Horizons of Hope

MAID, Euthanasia, Assisted Suicide: whatever one calls it, it is an evil that is being pushed by the government and many health care facilities and many medical practitioners. It is important that we do not get swept away by the culture of death. Come and learn about the true meaning of human dignity and compassion and what death means for the faithful Christian. The first three of four sessions will be on November 15, 29 and December 6 -- all on Wednesdays at 7:30 p.m. in the parish hall. We have yet to decide on the date of the fourth and final session. The main presenter will be Margaret Smith, a nurse with much experience in palliative care. No cost and no need to pre-register.

Many thanks

to the Women's Auxiliary

I want to thank the Women's Auxiliary for their many contributions to the parish and to draw your attention to the work of these faithful women in our community.

They are in the parish hall every Sunday morning, serving coffee and delicious (often home-made) food to those who come down after Mass. They take charge of bigger events such as the Lasagna and Christmas Dinners, and the Christmas Bake Sale. And they are always ready to serve other significant parish and Oratory functions, such as receptions after first Communion and Confirmation, the Family Days of Recollection, Graduation, etc.

They are also generous in using their earnings from the Coffee House and the parish dinners to pay for much needed projects. In February 2022, they paid \$10,000 towards the new LED ceiling lights, which are a great improvement over the previous incandescent bulbs. More recently, they have paid close to \$5,000 for the work on the church doors.

I am sure that everyone going into the church has noticed the improvement.

A big thank you to the Zabs

The work has been done by Andy and Effie Zab, two long-time parishioners with much experience in wood finishing. They had to sand the doors and use various chemical methods to remove prior finishing products before applying seven coats of the new product. They have now stopped for the year, but will resume with the Close Avenue doors and all the door frames in late spring or early summer. They told me that the sun burns through about two layers of the product every year, so if we keep reapplying about four coats every two years, future maintenance of the doors will not be as costly.

 Pastor
