MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

As members of our Catholic community, we regularly benefit from the tireless service of our priests. Called by God and ordained to care for His people, our priest serve our families in churches, schools hospitals, nursing homes, missions and on the streets. The Shepherds' Trust ensures our priests can live their retirement years with dignity. This fund does more than support our priests in their twilight years: it represents a tangible gesture of thanks for the blessings we have received. The Shepherds' Trust collection will take place at all Masses next Sunday. Your generosity is greatly appreciated.
