MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

Live the Gospel

by supporting seminarians

We must pray for good and holy priests. But we must also ensure they are equipped with an excellent educational and spiritual formation, which is why your gift to ShareLife supports St. Augustine's Seminary. The future of our Church, and the essential pastoral care provided by our priests, depends on our generosity.

October 31 is the next ShareLife Sunday.
