## **MARRIAGES:**

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

#### Coffee House – A Great Place to Chat

It is a delight to see so many people on Sunday morning talking to one another after Mass. But the noise level in the narthex often causes people to raise their voices, which, of course, disturbs people in the church who want to pray. Why not come down to parish hall, enjoy a cup of coffee or some treats, and talk with confidence without disturbing anyone?

#### SHARELIFE 2015: THANK YOU!

A letter from Cardinal Collins, extending his thanks to parishioners for their generous response to this year's ShareLife Parish Campaign, has been posted in the narthex. "Together we are working wonders in the lives of the less fortunate in our communities."
