MARRIAGES:

Couples planning to be married must contact a priest well in advance of the wedding date. They must also receive personal preparation for entering marriage.

If either party has previously gone through any form of civil or religious marriage with another person, the priest is not permitted to set a date for the wedding until the Bishop's office has been consulted.

It should be noted that Catholics, in order to marry validly, must marry before the parish priest or his delegate and two witnesses. A civil marriage or a marriage before a non-Catholic minister is not a valid marriage. Couples in such "marriages" should contact a priest to have the situation rectified.

SPECIAL MAINTENANCE COLLECTION, SUNDAY, OCTOBER 13

You have no doubt noticed lots of roofing work going on. The parish is responsible for paying for the roof on the rectory and also -- less visibly -- the flat roof over the sacristy. Last year, the parish raffle helped us to accumulate funds to pay for the rectory roof, which is going to be around \$15,000. This year, we discovered that the flat roof over the sacristy needed to be redone as well. The cost of that roof is another \$15,000. We got several contractors to bid on the various roofing jobs and we are confident that we are getting good value for the money. But it still is a large expense. So the parish finance committee decided that it would be prudent to take up a special collection next week to finance this essential project. **Building Fund envelopes are in the bulletins. Please be generous.**

ZONES OF SILENCE

"The search for intimacy with God involves the truly vital need of silence embracing the whole being, both for those who must find God in the midst of noise and confusion and for those who are dedicated to the contemplative life. To achieve this, their entire being has

need of silence, and this requires zones of effective silence and a personal discipline to favor contact with God. (Bl. John Paul II)
Please help to make our church a zone of silence for those who come to pray. Protracted talking within the church, even in whispers, can be a real distraction to those who are trying to focus on God. And when socializing after Mass, be mindful of closing the inner doors in the narthex and keeping the noise level down.

Please turn off your cell phone before entering the church, or switch it to silent/vibrating mode.
