### THE MONTH OF MARY

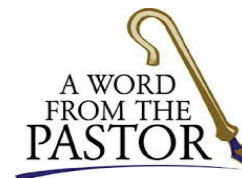

The month of May has traditionally been devoted to Mary. This month highlights the special sharing of our Blessed Mother in the paschal mystery of Christ, her Son. We are called to imitate Mary in her openness to God's will, in her prayerfulness of spirit and in her quiet dedication to the purpose and mission of her Son's life. Let us pray to God through Mary that every person may model her discipleship and her devotion to Christ, her Son.

### Prayer for Spiritual Communion

My Jesus,  
I believe that You  
are present in the  
Most Holy Sacrament.  
I love You above all things,  
and I desire to receive  
You into my soul.  
Since I cannot at this  
moment receive You  
sacramentally, come at least  
spiritually into my heart.  
I embrace You as if You were  
already there and unite  
myself wholly to You.  
Never permit me to be  
separated from You.

Amen.

The Great Feast of Pentecost, which we celebrate this weekend, reminds us of the vitality of the early Church. The coming of the Holy Spirit breathed new life into the gathering of the followers of Jesus in the midst of confusing times. We pray often for this vitality and new life in our Church today.

As our province begins to consider how and when activities can commence once more, our Diocese and our Parish is preparing for the time when we are able to re-open our churches. The Bishops of Ontario are working to determine how we will proceed. We want to ensure that everyone can worship in a safe environment. In our own parish I have been looking at best practices in other places, working with medical experts and consulting to determine what to do in the days ahead.

We do know that there will continue to be restrictions on large gatherings in the days ahead, until it is safe to resume them. There will likely be a “phased” approach, a gradual return to public celebration of the sacraments. Even then, our new reality in church may be different from what we were accustomed to in the past, with some continuing precautions, since we want to resume public gatherings in a way that does not lead to a re-igniting of the pandemic.

One way we are planning for the day when we can re open our Church, is by installing technology which will make it possible to worship in three venues - the church, in the

Parish Centre and by livestream. This will be necessary if we are going to be able to serve our community in the days to come. If you are able to assist us with the costs of this, which will be very necessary - indeed essential - in the days to come, I would ask that, if you are able, that you please consider a contribution to aide with the costs of this through our website and designate it for "Covid-19 Re Opening"

In the meantime, our leadership teams are working diligently to prepare our campus for reopening, *when that is possible*. We miss you all very much and want to welcome our multi-generational community in the safest and strongest way. As we eagerly move towards finalizing the reopening date, stay tuned to our media channels for the latest information and visit our website - [www.stmichaelw.ca](http://www.stmichaelw.ca)

### GIVING TO OUR PARISH AT THIS CRITICAL TIME - ELECTRONIC GIVING -

To accomplish the mission entrusted to us by Christ, St. Michael Parish depends entirely on the generosity of our parishioners. With the suspension of Sunday Mass and our Holy Week Celebrations, we urgently need you, our faithful parishioners, to continue to support St. Michael Parish. I realize that this is a time of significant insecurity, financially and in other ways, for many people, but if you are able to continue your contribution to St. Michael Parish, you would allow us to pay salaries, keep the buildings heated and provide for our outreach ministries. There are four methods to make your offering:

- Pre Authorized Giving: through scheduled monthly or weekly transfers. Forms are available at on our website or by calling our parish office and we will send the forms to you. Fill out the form, attach a void cheque and place the form in a sealed envelope and put it in the parish office mailbox or scan both and email to [parish@stmichaelw.ca](mailto:parish@stmichaelw.ca)
- Drop off your weekly envelope by putting it through the mail slot in the Parish Office door.
- Post-dated cheques. Instead of coming every week, put several post-dated cheques into the same envelope.
- Electronic Giving: [Go on to the parish website](http://www.stmichaelw.ca) and click *donate* and make your donation automatically using your credit or debit card on our secure page.

**Thank you for helping in the Mission of Christ through St Michael Parish especially at this challenging time.**

### E - NEWSLETTER

Our weekly E Newsletter is being sent to parish households as part of our efforts to keep all informed of updates, changes and opportunities. If you are not receiving it – to get put on the list - [parish@stmichaelw.ca](mailto:parish@stmichaelw.ca)

### REACHING OUT

While social distancing and shelter in place has impacted the way we do community outreach, our mission to Love God and Neighbour remains unchanged.

Following all guidelines designed to protect the health and safety of people across the province, please consider the following ways to meet the needs of your neighbours being directly impacted during this time.

Please note: if you currently have a fever, cough, are feeling generally unwell, or have travelled outside of the Province or Country in the past 14 days, please refrain from volunteering and consider your interaction with others.

### KEEPING CONNECTED

Our attempts to personally telephone all of the households in our parish to individually check on families continue. We are still here for you during this difficult time. If you need us please call at 519 884 9311 and leave a voice mail. Or you can email us at [parish@stmichaelw.ca](mailto:parish@stmichaelw.ca).

To help stop the spread of COVID-19, flatten the curve and protect the health and safety of people across the province, the Ontario government announced this afternoon an extension to the emergency orders until **June 9, 2020** therefore our Parishes and Parish Offices will remain closed until **June 9, 2020**

### MAKING THE MOST OF MASS ON OUR NEW YOU TUBE CHANNEL

1. Participate fully in the Liturgies, just as if you were at Church. Sit, stand and kneel at the appropriate times.
2. Listen to the readings & observe the moments of silence.
3. Consider watching it on your big screen TV's, it may actually feel like you are present with us.
4. Be very careful not to just say, "Mass is cancelled so I'll do something else". Mass is not cancelled. Jesus died and rose again to life to save us. Don't forget and don't pass it off as if it is just one more "thing" in your life.
5. "Watch" at the time you "Attend": Make Sunday, a priority and so watch at the usual time you would attend Mass

The Mass is the one and most important "thing" this week. Don't let anything get in your way of celebrating it. This year more than ever we need to know, experience and believe that Jesus is alive, He loves us, and He has given His Life to save us. Spend time with your family, thinking, talking and praying about the power of the Resurrected Lord especially with the challenges we are facing at this time.
