**MISSION THANK-YOU**

**THANK YOU**

I would like to thank all who took part in our Parish Mission from March 29-April 1st. I have received nothing but glowing comments on Fr. Prieur and the topics he presented. His presence was surely a joy and a gift to all of us. If you are wondering whether he is always so "up", the answer is YES! I assure you, you never fell asleep in his classes! A special thanks goes to Greg Jolicoeur, our choir director at St. John's, the choir members who came out to lend their voices; and the members of the parish CWL's that prepared the reception following the Tuesday night presentation. It was a grace and joy filled time and I believe one we will not soon forget.

**ST. ANTHONY/ST. JOHN PARISH MTG.**

Following our last season of Arise, many people were "on fire" wanting to help serve our parish community. Ideas were coming left and right. We invite you to submit ideas through email or write them out and drop them off at the parish office.

**Invitation for submitting:** These ideas need to enhance the parish activities and your idea needs to be spelled out as clearly as possible. **Parish Meeting:** Ideas will be put in categories. The Parish Meeting would involve YOU, to take a look at the ideas and come up with ways to put them into practice. Also, we will get an idea of who would be interested and available to participate in the ideas. The meeting would take place the first or second week in May. A date will be announced.

### "WE NEED TO TALK" PARENT SERIES

The Director and Chair of the Board for the Windsor-Essex Catholic District School Board recently sent a letter to all parents within our Catholic system addressing internet safety. *The letter highlights the need for parents to talk to their children about digital technology and the Internet and how the inappropriate use of technology has the potential to have a life altering impact on their children/students.* The letter outlines the formation of a "We Need to Talk" Parent Series that will entail parents receiving a newsletter on each Monday during the month of April. The newsletter will highlight specific areas of internet safety information that parents can use on a daily basis to assist us in doing all we can to make internet use a safe and useful tool for learning.

*Please see the Board website, [catholicboard.ca](http://catholicboard.ca), your school website or contact your local school for access to the weekly series.*
