To assist in consolidating the efforts of the dioceses, and of Canadians of different faiths and no faith at all, who are opposed to assisted suicide, the CCCB is encouraging us to join the Coalition for Health-CARE and Conscience:

## TRUE CHRISTIAN COMMUNITY

Can you imagine a world such as the one put before us in today's scripture readings? Communities of believers everywhere would support and encourage one another and be identified as Christians by the way they love each other. It would be a world with no tears, no death and mourning, no crying out in pain. "Behold, I make all things new," we hear the Son of God say in the second reading from the book of Revelation (21:5).

Is this world of John's vision only imaginary? Are these faithful followers for whom Jesus prayed only a savior's dream? Today they are put before us as a worthy goal. How much closer can we come to this vision of a true Christian community in our lives today?
