Here is some food for thought and prayer these summer days: some sayings of Pope Francis:

The Church, by her nature, is missionary. She exists so that every man and woman may encounter Jesus.

Dear young people: do not be mediocre: the Christian life challenges us with great ideals.

The World Cup allowed people from different countries and religions to come together. May sport always promote the culture of encounter.

To be friends with God means to pray with simplicity, like children talking to their parents.

In the face of life's difficulties let us ask the Lord for the strength to remain joyful witnesses to our faith.

How I wish everyone had decent work! It is essential for human dignity.

Let us pray for the Christian communities in the Middle East, that they may continue to live in the land where Christianity was born. Please remember the poor, the isolated, the addicted, and all who are sick in your kind prayers.

I would like to thank Heather Gartner and the CWL of St. John de Brebeuf for sponsoring me to attend a week at Camp Vincent in Bothwell, Ontario. I just returned from my week at camp and had an amazing leadership experience as a “Counsellor-In-Training”. I hope I represented St. John de Brebeuf School and parish well! I know the leadership skills I developed at camp will help me in the Fall when I attend Cardinal Carter Secondary School.

Sincerely, *Julia Pearce* (Gr. 8 Graduating Class-St. John's)

NATURAL FAMILY PLANNING

Did you know? Children can be conceived while on oral contraceptives and the chemicals in the pill can alter the lining of the uterus resulting in the death of the child because it cannot successfully implant in the womb of the mother. There is a better way to plan your family in line with Church teachings.

For more information please call Mary @519-300-4504 or email: ecfertilitycare@hotmail.com
