**What's Happening at Erie Shores South Catholic Family of Parishes?**

## ERIE SHORES SOUTH CATHOLIC FAMILY OF PARISHES PRAYER SHAWL MINISTRY

Did you know that our parishes have a Prayer Shawl Ministry? We have some very creative people who knit and crochet shawls in a prayerful setting for those who need comfort, are going through a loss, are going through medical treatments, for joyous occasions, etc. It is a tangible gift to show the recipient our love through the many stitches created in thoughtful prayer. All of our prayer shawls have a green scapular sewn into them with the story of the scapular and how it has many reports of conversions and cures along with a prayer card from our Ministry. They are all blessed by our priests before they are lovingly given to a loved one. Do you know someone who you think could use a prayer shawl? Please call **Sandy** at St. Michael's Church to find out more information at **519-326-2643 ext. 229** or email [sfoldesi@dol.ca](mailto:sfoldesi@dol.ca).

## Society of St. Vincent de Paul - St. Michael's

The St. Vincent de Paul Society wishes to thank everyone for the continuous support of items needed for the food bank especially during our drive thru, the Miracle Drive and most recently the need for water for the homeless. Your support allows us to help families in our community. If you know of someone who is in need, please do not hesitate to contact us at **226-340-7233**.

## CWL - St. Michael's

Some of the CWL ladies joined in the procession at the Mother Mary Shrine on HWY # 77 during the Feast of the Assumption on August 14. It was a beautiful celebration in Honour of our Blessed Mother. The CWL is inviting all parishioners to join us in praying for protection of staff and students this upcoming school year. We will be praying the Rosary at the following schools:

- St. Louis – Tuesday Aug. 31 @10:00 am**
- Cardinal Carter/Middle School – Friday Sept. 3 @ 10:00am**
- St. Michel - Tuesday Aug. 31 @ 1:00 pm**
- St. John de Brebeuf - Kingsville - Friday Sept 3 @ 1:00 pm**

Call Peggy Barrette @ 519-322-2762 if you have any questions and if you are interested in leading the Rosary at one of the schools.

General Meeting – **Wednesday September 8 @ 6:30pm** in Conference Room. Thankfully, we will be meeting, once again, in person. Safety protocols will be followed.

*“The Holy Rosary is the storehouse of countless blessings.”*

Blessed Alan de la Roche

#### FORMED NOW: POPE SAINT GREGORY THE GREAT

Throughout her life, St. Monica constantly prayed for the conversion of Augustine, her beloved son. In a moment of desperation, she even asked for the bishop's help. In response, he said, "the son of those tears surely will not perish." Truly, as this bishop remarked, Monica's tearful prayers helped build her son into the Doctor of Grace. In this video, join Dr. Gray and Dr. Sehorn as they discuss more about this great Saint.

### A Chalice Success Story BUSHEL OF BLESSINGS IN BASECO

While the city of Manila was still under strict COVID-19 lockdown protocols, the Tondo sponsor site knew there were children in their neighbourhood who didn't have enough food. In particular, the site staff worried about the neighbourhood of Baseco, one of the largest slums in Manila.

When restrictions lifted enough for site staff to go out, they began delivering pre-packed meals every day to the children of Baseco - none of whom had Chalice sponsors. But the staff longed to see the children eating fresh fruits and vegetables. They imagined a Baseco community garden, cared for by the families.

As soon as gathering limits allowed, it was action time. Thanks to generous supporters of Chalice's nutrition program, the site staff selected a plot of land by the shore and set to work making their vision a reality.

"The parents and the children expended energy for the lot to convert the lot to a garden," the staff describe. "Together, they cleared and earth-filled the land, and joyfully toiled and toiled."

The staff taught the families how to make garden beds using "eco bricks" - plastic soda bottles densely packed with unrecyclable plastics. It's an inspired way to 'upcycle' and minimize plastic pollution. Three local partners delivered training on sustainable urban gardening, waste management and upcycling.

"They happily tended their garden, taking turns in watering the plants," says the site. "The vegetables grow and grow, while filling the mothers' hearts with pride."

And then came the best part - harvesting the fruits of their labour, especially in a time when fresh market produce prices were soaring.

"With their produce, they are now able to serve the family nutritious food," the site beams.

The community pooled their resources to build a structure by their garden where they can hold meal programs alongside other activities. The site staff were "left in awe" at how the community bonded over this initiative. Now, children from Baseco can be sponsored through Chalice. The site staff can't wait to see the children thrive with new support, and see their energetic parents engaging in family circles, continuing to be forces of change in their communities.

**Consider sponsoring a child through Chalice, go to <https://chalice.ca/> today and help make a difference in someone's life.**
