Canada Summer Jobs Program

As you may know, the federal government recently changed the Canada Summer Jobs Program. Now, applicants must make an attestation that their core mandate and beliefs are in keeping with the Government's position on certain matters, including the supposed "right to access safe and legal abortions."

In a letter dated 5 February, Bishop Fabbro publicly took a stand against this position, saying that we will not be bullied into even the appearance of collusion. Therefore, no parishes or offices of the Diocese of London will apply for grants from the Canada Summer Jobs Program.

The fact remains that our young people deserve a chance to gain the skills and experience that the Summer Jobs Program was intended to provide. Bishop Fabbro has asked that we take up a collection this month. The funds raised will offset the loss of federal grants so that we can still offer programs such as our Catholic Christian Leadership Camps and Vacation Bible camps, as well as hiring summer interns. Cheques should be made payable to our parish, and mark on the envelope "summer jobs." Thank you for your support of this initiative. **Please see Bishop Fabbro's letter inserted in the bulletin this week.**

SHARE LENT CAMPAIGN-2018

Share Lent in the name of peace

For this year's share Lent, Development and Peace is encouraging us to come together for peace! You will find inspiring testimonials in the Mini-magazine in the bulletin today.

During this first week, our search for peace takes us to Cambodia to meet ICSO, a Development and Peace partner that works with minority Indigenous communities to help them have their rights recognized by the government, defend their land against corporate interests, and develop sustainable economic activities that enable them to live with dignity.
