**TREASURES FROM OUR TRADITION**

In brushing up for "Catholic Jeopardy," it might help to know that there is only one feast on the calendar for a thing, rather than a person or mystery. It's for a chair: Saint Peter's chair in fact

After the Resurrection, there can be no doubt that the disciples reserved a special place for Simon Peter in the upper room. Later, Peter became the bishop of Antioch in today's Syria, the place where we were first called "Christians." From there, he went to Rome, the center of the Empire, where it is said that Peter sat in a chair in the house of Priscilla and Aquila to instruct his flock. Jesus, in entrusting the keys of the Kingdom to Peter and his successors, entrusted his compassion and mercy to them, and charged them with pointing to the Kingdom of God. Compassion and mercy are to resonate through their teaching.

Since the ancient sign of a teacher is the chair ("disciple" literally means one who sits at the feet of a teacher), Peter's chair has long been treasured. Today there is a symbolic shrine of Peter's chair above the main altar of St. Peter's Basilica in Rome. This monument is the last work of Bernini, a huge bronze throne supported by four doctors of the Church: Augustine and Ambrose from the Western Church, and Chrysostom and Athanasius from the East. High above it is the alabaster window of the descent of the Holy Spirit.

### DEVELOPMENT AND PEACE 2017 SHARE LENT CAMPAIGN

#### "WOMAN AT THE HEART OF CHANGE"

"On February 11th, the Share Lent Development and Peace Workshop in Windsor focused on this year's theme "Women at the Heart of Change." This Lent, Development & Peace will be joining its voice to that of Pope Francis who in his video message of May 3, 2016 said, "that in all countries of the world, women may be honoured, respected and valued for their essential contribution to society." This Lent let us create a space for dialogue that will allow us to contemplate a future of justice and dignity for all. What are the challenges facing women in the Global South? What are the challenges facing women in the North—Canada, the rest of other Industrial countries?"

Pat Hudak
