GOSPEL REFLECTION-Feb. 27th

Matthew 6: 24-34

In today's Gospel from Matthew, Jesus exhorts His disciples, "do not worry." They must have shown worry for Jesus to address this. Did they worry about their food, or clothes, or all of these? Jesus, who knew humanity better than anyone ever has, must have realized that simply telling someone not to worry does not end the worrying. So, Jesus goes on to give a perspective to allay their worries, a sense of priorities. Then He goes on to ask what good their worrying does. Then He reminds them the God takes care of even the birds and the grass, and surely God will take care of the people created in His own image. Don't worry, keep your priorities straight, remember worrying doesn't do any good, trust God. It might not be easy to hand over our worries to God, but it's worth working on!

Discussion Questions: *What would you say to a friend who worries excessively? Look at creation and add to Jesus' examples of how God cares for every creature and all of creation.*
