**WORLD MARRIAGE DAY  
TODAY: FEBRUARY 9, 2014**

World Marriage Day takes place today February 9, 2014. World Marriage Day is an observance sponsored by Worldwide Marriage Encounter, associated with the Catholic Marriage Encounter movement and observed on the second Sunday of February each year. It's purpose is declared "*World Marriage Day* honouring husband and wife" as the foundation of the family, the basic unit of society. It salutes the beauty of their faithfulness, sacrifice and joy in daily married life. Marriage is often viewed as a contract where in the Catholic Church it is considered a Holy Sacrament. Worldwide Marriage Encounter is a weekend couples learn to communicate more intimately with one another to deepen and enrich their relationship. The emphasis is on communication between husband and wife. In a private, comfortable environment away from the distractions and responsibilities of everyday life, you are given the opportunity to look into yourself and your relationship with each other and with God. You will learn a special communication technique that you can take home with you to continue to grow in love and appreciation of each other. Worldwide Marriage Encounter is a positive, building experience. More than a weekend away, it's a weekend of discovery together. *The weekend is for couples with good marriages striving for a great marriage.* This weekend is a great Valentine's Gift that keeps on giving!  
*Celebrate your love for each other in a special way today!*

*The next Marriage Encounter weekend is:*

**GOSPEL REFLECTION**

Matthew 5:13-16

Imagine a hamburger with nothing on it but some salt that proved to be chemically impure and tasteless. Imagine a house at midnight with one lamp, and that lamp is covered by a basket. Finally, imagine a disciple of Jesus who either does no good at all or hides his or her good deeds. In each example, something crucial is missing. Jesus insists that our light must shine before others. He wants us to bring the brightness and flavor of God's word into our world.

*Discussion Questions: There is a saying, "Charity begins at home, but it doesn't end there." It's wonderful to be good to those at home, and to others who love us. But what is Jesus asking us to do here? How can you and your family take the light of goodness and bring it out to your town, your world?*

**HEADS UP! SAVE THE DATES!**

From March 29th-April 1st, Father Mickey Priour will be preaching a Parish Mission for our cluster parishes. His theme will be "Hopeful News for Hard Things". It will run from Sunday to Tuesday evening.

**GOD'S SUMMONS**

If we are not able to witness concretely to the love of Christ in our lives, then we are truly salt that has gone tasteless. Our flavor and impact are lost. How difficult it is to get them back again.

In the late 1940s the Christophers movement began in the United States. The Christophers' motto, "It is better to light one candle than to curse the darkness," attracted many through the Christophers' effective use of the media, advertising, and the encouragement of its members to proclaim Christ in the workplace.

Jesus calls us to be that candle and to set ourselves in the most visible place. Jesus, who brought eternal light to the world, tells us that we, too, are the light of the world. Through our words and actions we must let our light shine in the sight of all so that in seeing our good works, everyone may give praise to God.
