SHARE LENT-2013

Option for the Poor and Vulnerable

Your plenty at the present time should supply their need so that their surplus may one day supply your need with equality as a result (2 Corinthians 8:14)

In a society marred by deepening division between rich and poor, our tradition recalls the story of the Last Judgment (Mt. 25:31-46) and instructs us to put the needs of the poor and vulnerable first. (Sharing Catholic Social Teaching)

1. In what ways can you respond to the preferential option for the poor on a daily basis?
2. What structures, laws, or customs contribute to keeping people poor?
3. What kind of public policies could reduce poverty?

Session Three ~ Building Anew!

Our focus this season is The Church, as a body of Christ, the community of those baptized into Christ's death and resurrection, as the home for all God's family. We are an Easter people, the cornerstone of rebuilding is hope, and we are called to reshape the future, through the power of true reconciliation, we are able to do this. We are able to move forward. We are invited to do some regular maintenance, what needs repair in my life? What needs are there in your Church community?
