Ascension Day also known as the Feast of Ascension

is one of the important Christian festivals celebrated in all over the world. This day marks the last appearance of Lord Jesus Christ to his followers after His resurrection at Easter.

Ascension Day falls on the Thursday, exactly 40 days after the Easter. The

name "Ascension" comes from the accounts in the Bible where it is mentioned that the Jesus was taken up into heaven - He ascended. On this day the Christians celebrate the kingship of the Jesus. It is believed that during the 40 days following his resurrection, the Jesus appeared to many of his disciples and told them that He would always be with them and promised them the gift of the Holy Spirit. After saying this, the Jesus was taken up into heaven and took his seat at the right hand of God.

TREASURES FROM OUR TRADITION

Surprisingly, the church moved very slowly in claiming marriage as a focus of attention and care. Nearly everywhere in the Roman world, citizens agreed on how to celebrate marriage. Consent of the man and woman is what made a marriage valid in the eyes of the law, and although there was a traditional ceremony, it was home based and optional. The ceremony was for showing the social status of the families involved (the procession ideally detoured through crowds), and for reminding the woman of her legal transfer from her father's control to her husband's. The "big moment" of the ceremony had nothing to do with vows, but with the bride's donning the yellow veil with red highlights that was the daily wear of married women. A wedding feast included soothsayers and animal sacrifice to the new household's gods. Christians found that distasteful, of course, but since marriage was a family matter, they could edit things out. The church was comfortable with this, and sometimes recommended that the couple seek the advice of the bishop. His permission was only required for the marriage of a cleric, or for a marriage Rome didn't recognize, such as between a free woman and a slave. There was no blessing, no liturgy, no priest. Christians followed the customs of the day, but they knew that custom and relationships were transformed from within themselves by the fact of their baptism. Outwardly, Christians married exactly as their pagan neighbors, but they certainly invested the usual gestures with a dynamic sense of Christ's presence.
