FIRST WORLD DAY OF PRAYER FOR THE POOR

Sunday, Nov. 19th

Pope Francis asks all of us, whatever our means or background, to unite in love, in acts of service to one another.

"It is my wish that ... Christian communities will make every effort to create moments of encounter and friendship, solidarity and concrete assistance.

Prayer: Loving God, Open our ears to hear you in the cry of those living in poverty. Open our eyes to see you in the lives of the oppressed. Open our hearts to meet you in others and to respond with mercy and compassion. Pour out on us your grace, so that we may grow as your faithful people, always seeking your kingdom of Truth, Justice and Peace. Through Christ our Lord. Amen.

PRAYER FOR REMEMBRANCE DAY

Let us pray for all who suffer as a result of conflict, and ask that God may give us peace. For the service men and women who have died in the violence of war, each one remembered by and known to God. **May God give peace.** God give peace for those who love them in death as in life, offering the distress of our grief and the sadness of our loss. **May God give peace.** For all members of the armed forces who are in danger this day remembering family, friends and all who pray for their safe return; **May God give peace.** God give peace for civilian women children and men whose lives are disfigured by war or terror, calling to mind in penitence the anger and hatreds of humanity; **May God give peace.** For all who bear burden and privilege of leadership, political, military and religious; asking for gifts of wisdom and resolve in the search for reconciliation and peace. **May God give peace.** O God of truth and justice, we hold before you those whose memory we cherish, and those whose names we will never know. Help us to lift our eyes above the torment of this broken world, and grant us the grace to pray for those who wish us harm. As we honour the past, may we put our faith in your future; for you are the source of life and hope, now and forever. *Amen.*

DEVELOPMENT & PEACE

In June 2017, the Minister of International Development presented Canada's new International Assistance Policy. Canada therefore committed to ensuring that women and girls have the opportunity to take active roles in establishing and maintaining peace in their communities. Despite its remarks in support of women and peace, the government did not increase the international aid budget and chose instead to increase the military budget by 70% over 10 years. **Next weekend, members from Development & Peace will be handing out Action cards for you to sign.** Together, let's call on the Canadian Government to give women the resources they need to be at the heart of peace.
