PRAY TO END ABORTION

Around the world during the 40 Days for Life 2021 fall campaign, there were 588 babies saved from abortion. At the Metropolitan Hospital in Windsor, ten parishioners from St. Michael's Leamington, once again prayed for two hours on Monday mornings.

For us there is no way of knowing whose heart might have been touched by our perseverance.

Thank you to all who came out to pray.

Let's spread the word about putting People and Planet first

Development and Peace's 2021-2022 campaign, **People and Planet First**, is calling for Canada and Canadian corporations not to be complicit in violations against the planet and its inhabitants. The easiest way to take action is to sign the petition calling on the government to implement a due diligence law that would require its companies to respect human and environmental rights in their overseas operations.

However, there are several other options available to you if you have already signed and want to continue your commitment! You can follow the latest campaign news on our Facebook or Instagram pages and even update your profile to show the campaign colors. If you'd like to delve into the subject deeper, take the time to read our printable background. And what about sharing the campaign video with your friends and family? Whatever you choose to do, thank you for helping to spread solidarity! <https://devp.org/en>
