WORLD MISSION SUNDAY

This year World Mission Sunday will be observed on *November 22/23*.

Each year at this time, we are called to focus our attention on the great needs of the Church in the Developing World. This year's theme, "... all are disciples and missionaries ..." reminds all baptized Catholics of their responsibility to share in the missionary work of the Church. The Canadian Conference of Catholic Bishops states "every Christian shares in the mission of the Church and that all should become more involved in today's missionary work." (Ordo 2012 – 2013)

In times of tragedy – natural disaster, war, and persecution, many people look to the Church and her missionaries for help and hope. World Mission Sunday celebrates our unity as a human family and provides an opportunity to support the life-giving presence of missionaries and of the Church among the suffering and the poor.

Our cluster parishes have always been generous in responding to this appeal for our missionaries serving throughout the world. Once again, we call upon that generosity.

Please use the envelope attached to this weeks bulletin and be sure to write your name and address on the envelope if you desire an income tax receipt. If you are writing a cheque, please be sure to make it out to your parish community and write Mission Sunday on the Memo line. We will accept your offerings throughout the month of November. Many thanks on behalf of the missionaries throughout the world.

GOSPEL REFLECTION

Matthew 25:14-30

Why do you think Jesus told His disciples the parable in today's reading? Perhaps He does not want them to mistake being humble with hiding ones skills and abilities. Each of the three servants receives a certain amount of money from the master. The first two servants use their gift wisely and increase their master's investment. But the third servant, out of fear and lack of self-confidence, buries the money. When the master returns, that servant has nothing to offer Him but the small amount received in the first place.

Discussion Questions: When the wise servants report to their master, He says, "Come share your master's joy." Have you ever felt joy after you have done a good job at something? When God gives talents and blessings, what does He expect? What does it mean to "settle accounts?"

DEVELOPMENT & PEACE

Small Family Farmers Feed the World
IT ALL STARTS WITH A SEED

Nearly one billion people are hungry in the world today, when there are resources to feed everyone. We can change this injustice. It all starts with a seed—the very basis of our food system. For thousands of years, farmers have been selecting seeds from the best plants for the next harvest and naturally breeding seeds to create new varieties for greater diversity—giving us many varieties of corn, tomatoes, yams and other fruits and vegetables. Increasing corporate control of seeds, however, is diminishing the Earth's diversity. The privatization of seeds has been occurring over several decades and today, more than 50% of the global commercial market for seeds is controlled by only three companies. These seeds have been genetically modified (GMO's) and do not occur naturally in nature. Through bilateral free-trade agreements and other international conventions governments have been encouraged to put in place laws that make it illegal for farmers to save or use their own seeds.

Next weekend, at all the Masses, we will have the opportunity to *sign a petition* asking our Canadian government to adopt international aid policies that support family farmers in the global south in their struggle against hunger and poverty.
