**Development and Peace—Caritas Casada
Fall Campaign
“Share the Journey”**

This year Development and Peace invites us to walk in solidarity with forced migrants to make their voices heard loved and clear. Forced migrants are first and foremost human beings. They are children, woman and men who have a story of their own. They have nothing left, except the hope of being welcomed, listened to, and supported. It's up to us to take the first steps, to open our hearts to them, and to cultivate the hope that dwells within them. You are invited to read the stories of some of these migrants that are in your bulletin this weekend.
Will you share their journey?
