DEVELOPMENT & PEACE Strong and empowered women: lasting and inclusive peace!

Did you know that a peace agreement is 35% more likely to last at least 15 years if women help build it? By adopting effective community-based and non-violent approaches and by forming networks that cross political, religious and ethnic boundaries, women transform peace and reconciliation processes. This fall, join the Development and Peace-Caritas Canada campaign to learn more about the role of women in violence prevention and peacebuilding. For more information, visit devp.org/campaign.

ST. JOHN DE BREBEUF

Over the past few years, our church facilities have been examined in great detail in order that renovations and improvements can be done to ensure the viability of the building for the next several decades. We are now at the point where the Diocese (DOL) is nearing the commencement of renovation approvals. We need your help to establish an active building committee and finance committee in order to meet the requirements of DOL and work through this project to ensure its success. Please help us by sharing your talents, your special gifts, and join us in this very exciting time of parish rejuvenation. **Please call the parish office at 519-733-6591.** Meetings will commence in early November.
