On this occasion, I invite you, your family and friends to join in celebrating at one of these special Masses commemorating the death of your loved ones. During the Prayers of the Faithful, the names of those whose funeral mass or service I celebrated since last All Souls' Day will have special mention and following Mass you are invited to inscribe their name in our **Book of Life** found in both our parish sanctuaries. ### **DEVELOPMENT AND PEACE FALL CAMPAIGN**

In today's bulletin you will find an Action Sheet that describes some of the unique qualities of the Amazon, a special part of "Our Common Home". The Amazon produces 20% of the oxygen we breathe. The Amazon is home to one-fifth of the world's freshwater and one-third of the Earth's forests. Its Indigenous peoples live sustainably from its resources, but the Amazon is under threat. Its forests, streams and people are threatened because of the resources there.

The Action Sheet mentions two specific communities in that region that are currently under threat.

On Nov. 10 we will be asked to sign a letter of solidarity to the people of these two communities. In the Amazon, there are 65,000 species of vertebrates and trees. This is also the number of signatures that we want to reach in this campaign.
