ABORTION

The Catholic Church is pro-life. She teaches that abortion is always wrong. Where does this teaching come from? It all starts "in the beginning," in Genesis chapter one—"God created man

in His image; in the divine image He created him; male and female He created them." Every human person, from the moment of their conception, is created in the image and likeness of God. Interestingly, the teachings on abortion in the Catechism of the Catholic Church are in the section on the Fifth Commandment—"You shall not kill." This is not a new teaching, something that the Church has been trying to figure out for centuries. Quite the contrary. In the Catechism paragraph 2271, it says, "Since the first century the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable." What about exceptions for things like rape and incest? Regardless of the circumstances surrounding its conception, the child in the womb is still a child of God. In paragraph 2270, the Catechism puts it succinctly—"Human life must be respected and protected absolutely from the moment of conception."

OUR ANNUAL THANKSGIVING APPEAL 2014-"A Future Full of Hope"

Jesus said: Tend my sheep....feed my sheep.

Each one of us has been bestowed with many gifts—from the Lord: the gifts of our unique talents, the gifts of our time here on earth and material gifts as well. Jesus has asked us to be good stewards of these gifts—to use them to build up His Kingdom on Earth and to provide for others who are less fortunate. As Christian stewards, we are asked to use our time and talents to advance the ministry of the Church and to donate a portion of our treasure for the Lord's work. In last weekend's bulletin there was a brochure and special envelope attached for this annual collection. I ask that you read the brochure and be as generous as possible. **We will take up this special collection on the Thanksgiving weekend-October 11/12 but continue to accept your donations throughout the month of October.**

Parishes in the Diocese of London are provided the opportunity to conduct an annual Appeal to help fund the work and upkeep of their parish, including ministries, offices, capital projects and other services. Why should I give to the Thanksgiving Appeal? It's important to provide all parishioners with an opportunity to share their financial gifts to help provide Catholic ministry and services to the people in their own community. The Appeal also provides a teachable moment. It allows parish leaders the opportunity to talk about the vibrant local Catholic community. The Appeal provides an opportunity to reflect upon the fact that every Catholic is responsible not only for his or her church, but also for the well being of the needs through their community.
