**GOSPEL REFLECTION**

Luke 16

Jesus warns His followers today against allowing money to become their master. They must use money in an intelligent and responsible way, but they must be ever alert to the ways in which concerns about money can take over their lives. Jesus advises them to prove themselves trustworthy in dealing with material wealth.

*Discussion Questions: How do you share your money with those who have less? How do you use your money to care for yourself? How do you use your money to care for others?*

**PARISH PASTORAL COUNCIL**

A number of months ago, we put a call out for those interested in serving on parish council. We are in the process of having a group meet on a regular basis but **are still in need of some people to put their names forward from both parishes.** Also, if you submitted your name in the past, **please call Lisa @519-733-6591 to confirm you are still interested.** We are planning on meeting in the next couple months and would meet four times a year. Please consider sharing your gifts and talents in this important ministry.

I want to acknowledge and **thank** St. John's KofC Council 8233 for their recent cheque of \$5,000. With upcoming repairs on the church, I assure you it will come in handy. I also want to welcome the new executive sworn in and installed on Aug. 15th for Council 8233 and on Sept. 12th for Council 5350. **Congratulations and best wishes.**
