All you have to do is hold a sign that
 reads "Abortion Kills Children" along the
 sidewalks of *Main & Division in Kingsville*
 or along the sidewalks of *King at Queen*
 in Harrow.

Each year, 100,000 preborn children
 are decapitated, dismembered, and dis-
 emboweled by abortion in Canada. It's
 hidden behind clinic and hospital doors.
 Worse, this brutal reality is hidden be-
 hind rhetoric like "choice".

Stand to show your support for life.

**DEVELOPMENT & PEACE
 FALL CAMPAIGN**

*Climate change is an issue of social
 justice!* The most poor and vulner-
 able in the Global South suffer the
 most from the impacts of climate
 change, yet they are the ones who
 contribute the least to the carbon
 emissions that are warming the planet. Did you know that
 Canada has carbon emissions that are 150 times higher per
 capita than Ethiopia, one of the countries in the world that
 suffers the most drought conditions exacerbated by climate
 change? Pope Francis reminds us of our responsibility to
 act in his encyclical *Laudato Si*: "The pace of consumption,
 waste and environmental change has so stretched the
 planet's capacity that our contemporary lifestyle, unsus-
 tainable as it is, can only precipitate catastrophes, such as
 those which even now periodically occur in different areas
 of the world. The effects of this imbalance can only be
 reduced by our decisive action, here and now."
