Step Up and Make a Difference:**

As the month of October moves in on us we turn our minds and hearts to the many signs of God's goodness; the smells of the fall, the beautiful colours of the changing leaves, the produce we see in the fields and at our roadside fruits and vegetables stands. Soon we will celebrate THANKSGIVING. Many of us will gather together with family and friends around the dinner table to enjoy a Thanksgiving Day dinner. We will thank God for the blessings we have received and share and the food that we will enjoy. It is also a time for us to remember those in our communities who struggle because of little or no employment. Those who live each day in fear of losing the little they have. Our cluster parishes have always reached out to those in need through our St. Vincent de Paul Society. So, once again this year, we are requesting that you continue to demonstrate your care and concern for the needy of our Harrow and Kingsville communities. Each week we invite you to bring your non-perishable food items to your perspective parish and our St. Vincent de Paul members will distribute your offerings to those requiring assistance. Our cupboards are extremely low and the needs are great. Monetary gifts are also greatly appreciated.

Please make your cheque payable to "Saint Vincent de Paul" and include your name and address for a tax receipt. We are always looking for new members to join the St. Vincent de Paul ministry. **Just call the office (519-733-6591) if you are interested.**

We encourage you to bring your offerings this Thanksgiving weekend, leaving them at the altar or the back of the church but please know we will receive your donations throughout the month of October. God bless you for your generosity. Of course, it goes without saying your prayers are most needed and appreciated as well.

GOSPEL REFLECTION

Luke 16: 19-31

To whom is Jesus speaking when He tells the story of the rich man and Lazarus? Luke's gospel prepares us for this parable by telling us that was the money-loving Pharisees who had made fun of Jesus' teaching that "you cannot give yourself to God and money." We read this teaching in last week's Gospel. But Jesus also speaks to us today as He describes the eternal reward of Lazarus and the punishment of the rich man.

Discussion Questions: Do we, like the rich man, sometimes forget God's word about sharing what we have with the poor? Do we sometimes ignore or see right through the hungry in our own community? How will you show that you have heard Jesus' warning about ignoring Lazarus?

OUR ANNUAL THANKSGIVING APPEAL 2013-"A Future Full of Hope"

Jesus said: Tend my sheep....feed my sheep.

Each one of us has been bestowed with many gifts from the Lord: the gifts of our unique talents, the gifts of our time here on earth and material gifts as well. Jesus has asked us to be good stewards of these gifts—to use them to build up His Kingdom on Earth and to provide for others who are less fortunate. As Christian stewards, we are asked to use our time and talents to advance the ministry of the Church and to donate a portion of our treasure for the Lord's work. In this weekend's bulletin you will find a brochure and special envelope attached for this annual collection. I ask that you read the brochure and be as generous as possible. ***We will take up this special collection on the Thanksgiving weekend-October 12/13 but continue to accept your donations throughout the month of October.***

What is the Thanksgiving Parish Appeal?

Parishes in the Diocese of London are provided the opportunity to conduct an annual Appeal to help fund the work and upkeep of their parish, including ministries, offices, capital projects and other services. Why should I give to the Thanksgiving Parish Appeal? It is important to provide all parishioners with an opportunity to share their financial gifts to help provide Catholic ministry and services to the people in their own community. The Appeal also provides a teachable moment. It allows parish leaders the opportunity to talk about the vibrant local Catholic community. The Appeal provides an opportunity to reflect upon the fact that every Catholic is responsible not only for his or her church, but also for the well being of the needs through their community.
