The Cathedral Basilica of Christ the King is the principal church of the Diocese of Hamilton and home to the Bishop of Hamilton. The word "cathedral" comes from "cathedra" or Bishop's chair located in the church. On February 25th, 2013, in recognition of the significance of its design, and its importance in the Diocese, the Cathedral was given the status of a *Minor Basilica* by Pope Benedict XVI. The Cathedral Basilica was completed in 1933, and is a very beautiful structure that is reflective of the lively faith of its parishioners and the entire Diocese of Hamilton.

The Cathedral Basilica's *Coat of Arms* presents a shield sheltered by the *ombrellino*, and with crossed keys representing the papal designation of basilica status. The shield has a symbol for Christ with the crown of thorns and the crown of glory. The motto in Latin - *every eye shall see him*.

SUMMER MONTHS

Join us for the celebration of Sunday Eucharist and for Daily Mass (if you can). Daily Masses are celebrated (Tuesday – Friday) at 8:00 a.m. in the Marian Chapel. May these summer days be a time of refreshment, rest and renewal for us all!

WEDDINGS

We ask for one year's notice of a couple's intention to celebrate marriage at the Cathedral Basilica. This allows time to complete the necessary documentation and preparation requirements. Couples should consult our Parish Website for the "Application for Marriage." This document has important information and the application form. The bride and groom themselves arrange an appointment to meet the Rector and arrange a date for marriage. Available dates are not discussed by telephone or email. We also only discuss arrangements for marriage with the bride and groom directly. We are now accepting weddings for the Summer of 2017.

RESTORATION UPDATE

Work continues on the Cathedral. Soon scaffolding will be removed on the West side to reveal the work that has been completed. Most of the scaffold around the Bishop's house will also be removed. The cleaned stone gives us a clear sense of what the Cathedral looked like in 1933. We are making great progress on the stone restoration and roof replacement.
