Parishioners who need assistance with their mobility while attending Mass at the Cathedral Basilica are invited to be seated in the first pew on each side of the centre aisle, the first pews on the side aisles. The Choir loft is for choir members and musicians only ... there is no public access to the Choir loft.

## PROTECTION OF MINORS

At its recent Plenary Assembly, the Canadian Conference of Catholic Bishops approved an updated protocol for the protection of minors.

With this document, Canada's Bishops reaffirm their commitment to continue improving practices in their dioceses/eparchies with an emphasis on long-term prevention and pre-emptive action. The document brings the CCCB's existing guidelines (From Pain to Hope, 1992; Orientations, 2007) up to date with the latest laws in Canada and the most recent norms of the Holy See. Bishops will study and use the document to update diocesan/eparchial policies and protocols. In adopting the document, the Bishops also agreed to establish a special committee to assist the CCCB in keeping its policies up-to-date and to make recommendations on emerging questions.

The Bishops acknowledge that the implementation of a document of this magnitude will take time, but the focused and transformative actions which will come of it will protect minors and promote the healing of survivors. All of Canada's Bishops hope that survivors of sexual abuse will read Protecting Minors from Sexual Abuse and see in it a real effort to listen and learn from them.
