Thirteenth Sunday in Ordinary Time - June 26, 2016

We are called to be *disciples* of Jesus in every stage of our lives. At first we learn the rules of discipleship, and then as we mature, hopefully we continue the challenge of following Jesus even when there seems to be no let up to the challenges of being a Christian. We realize we live out our discipleship in particular vocations ... the single life, religious and/or priestly life, and the vocation of marriage.

This weekend we **welcome home** one of our sons, **Father Jim Caspar**, who is celebrating his 50th anniversary of ordination as a religious priest of the Sacred Heart. Father Jim will offer Mass with his family and friends at 1:30 p.m. this Sunday. We join him in thanking God for His work in and through his priestly and religious life.

We also welcome at many of our Masses **Tim and Claire Bondy** who will make a brief presentation on the availability of "Retrouvaille", a peer ministry which heals, supports and grows wives and husbands in their vocation of marriage. For more information, check out the website: www.retrouvillewindsor@weebly.com

Here's something to pray about as disciples called to marriage.

There are 4 Stages of Marriage: (1) Romance, (2) Disillusionment, (3) Misery, and (4) Awakening. Due to the high divorce rate many couples never make it to the 4th Stage of Awakening.

Romance

Most are familiar with the 1st Stage of Romance. Life was so wonderful we couldn't stand to live without the other. Our thoughts often turned to the other when we were not with them. We had fallen in love and knew that this was the person we wanted to spend the rest of our life with.

Disillusionment

At some point those little differences started to annoy us. The self-talk in the back of our mind started wondering why our spouse couldn't be more like us. We had entered into the 2nd Stage of Marriage, the Disillusionment Stage. During the Disillusionment Stage we start to realize that our spouse is not the perfect person that we had envisioned him or her to be. Sometimes, especially if our Romance Stage had been particularly intense, we are hurt deeply by this Disillusionment. We realize that the expectations we had of the perfect marriage were not going to happen.

For some this realization is too heart wrenching and they give up on the marriage and divorce during this 2nd Stage of Disillusionment.

Misery

Many people stick with and try to work through their problems during Disillusionment. They seek the counsel of family, friends, and clergy and marriage family counselors. Often the marriage deteriorates more deeply due to drug, alcohol or other addictions. Sometimes a third party relationship in the form of extramarital affairs result. As the couple finds themselves in this 3rd Stage of Marriage they know they have entered the Misery Stage.

The Misery Stage is where many couples find themselves considering a marriage separation or divorce. When children are involved this 3rd Stage of Misery is particularly difficult on them. The effects of divorce on a child cannot be over emphasized. The pain is so intense during the Misery Stage that it is common to only want it to STOP. One spouse may be pushing hard for the divorce while the other wants to stop the divorce.

If the couple ends the marriage at this point and remarry other partners they are more likely to experience the effects of divorce with their second or third spouse.

Awakening

Most people whose marriages end in divorce are not bad people. Rather, they are often people who never learned the proper tools for a happy marriage. This is where Retrouvaille (a French word which means "refinding", pronounced re-tro-vi with a long i.) can help. Teams of couples who have experienced all 4 Stages of Marriage present the Retrouvaille program. In Retrouvaille they learned the tools they needed to live a happy marriage. They learned that marriage does not follow the Romance and Happily Ever After formula portrayed in literature and media. Rather, they learn that there are certain learnable skills, attitudes and tools that they can use to deal with the inevitable problems of the real world.

Whether you are in the Disillusionment Stage grieving the loss of that magical romance or you have moved firmly into the Misery Stage, Retrouvaille can give you the marriage help you need to rebuild your marriage. Many tens of thousands of couples have turned their marriages around by giving this program a chance.

Can you save your marriage by attending and working the Retrouvaille program? You will never know until you try. Call the phone number (1-800-705-6456) or send an email (1015@retrouvaille.org) to the caring Retrouvaille volunteers in your area. Ask them those tough questions that keep nagging at you in the back of your mind.. They will be able to relate to your feelings of hopelessness and loss. They will do their best to give you the answers you need about this program. Be assured that all contacts are held in the strictest confidence.

As we begin summer holidays, we pray for our young people, and offer daily prayers for the sick. Father Patrick

PRIESTS THANK YOU FOR YOUR GENEROSITY

Last weekend, our parish took a special collection to support our retired priests. Despite these difficult economic times, we appreciate your generous response to share in the care of those faithful priests who have ministered to your spiritual needs for generations. Your priests truly appreciate your support and thank you for contributing so generously to the Priests' Pension Plan collection. If you haven't given yet, you may still return the special collections envelope in upcoming collections or give it to the parish office. Please make a notation for **Priests' Pension Collection** on the cheque or envelope.

Spiritual Directions: Are you struggling in your faith? Are events in your life making you question God? Are you experiencing lack of excitement in prayer? Are you grieving? If you would like to discuss any of these issues or if there is some other matter concerning God, faith or prayer, please contact Simone Seres – **519-326-2643 - Ext. 29** for a confidential consultation.
