### Development and Peace - Share Lent

#### The power of mobilized citizens

One of Development and Peace's strengths is our ability to mobilize thousands of Canadians like you to amplify marginalized voices from the Global South. Our partners want businesses to not be able to perpetrate abuses in their countries with impunity.

That is why our People and Planet First campaign is asking you to help ensure that Canada adopts strong due diligence laws to prevent Canadian corporations from abusing human and environmental rights across their global operations.

Sign our petition for this at [devp.org/act](http://devp.org/act) and spread the word. Thank you for supporting our campaign!

### Chalice

#### Double your Impact for Ukraine Regional Assistance

The economic ramifications of war hurt every family. The costs of basic needs, such as food and fuel, have increased dramatically in Ukraine as families deal with the fallout from Russia's military invasion. The families and site staff need financial assistance to meet their immediate daily needs. That's why we're asking for your help.

This relief fund will support families and our Chalice colleagues in Ukraine with extra funds. This is in addition to the amounts they regularly receive from sponsorship funds or their salaries as staff members. These funds will meet urgent family needs, which include, but are not limited to, food, medication, transportation, home repair and emergency shelter. To donate go to [chalice.ca](http://chalice.ca)

**A generous private donor has agreed to match donations until they reach \$250,000, doubling your impact.**
