Easter Triduum

The Easter Triduum begins with the Vigil of Holy Thursday. It marks the end of the forty days of Lent and the beginning of the three-day celebration of the death and resurrection of Jesus Christ - Holy Thursday, Good Friday and Easter Vigil/Easter Sunday. The Fathers of the Second Vatican Council reminded us of the extraordinary significance of the Triduum: "Christ redeemed us all and gave perfect glory to God principally through his paschal mystery: dying he destroyed our death and rising he restored our life. Therefore the Easter Triduum of the passion and resurrection of Christ is the culmination of the entire liturgical year." (General Norms for the Liturgical Year and the Calendar, # 18)

Easter Sunday

Easter calls us out of the darkness that shrouds our lives into the light of possibility, of healing, of re-creation. In His rising from the dead, Christ enables us to bring into our own lives all that he taught and lived throughout His life: the love, compassion, generosity, humility, and selflessness that ultimately triumphs over hatred, bigotry, prejudice, despair, greed and death.
