Pentecost Sunday

Pentecost saw the birth of a new community, the new People of God. Today then is the birthday of the Church. This is the day the apostles left the supper room, where they had been hiding for fear of the Jews, and went out fearlessly to preach the Gospel. They could not have done this without "power from on high", that is, the Holy Spirit. We too need the Holy Spirit in order to live as Christians in the world of today. He comes to us, not just as individuals, but as members of a community.
