## Shouldn't we Take Jesus for who He is?

It is much easier to make Jesus into who we want Him to be. It means we do not have to change. It means we have a type of divine approval of our choices and lifestyle. It means we can live our lives on our terms. But it also means that we can imperil our soul. Not only are we not faithful to God Himself, but we also are not even faithful to ourselves since, by nature, we desire to know what is true and to live a life in accord with it.
