### **Development and Peace Fall Action Campaign**

CANADIAN CATHOLIC ORGANIZATION FOR  
**Development  
and Peace**

Development and Peace's People and Planet First campaign is calling on Canada to prevent its corporations from abusing human rights and the

environment in their overseas operations and global supply chains. Since September 2021, over 24,000 people have signed our petition calling for Canadian corporate due diligence legislation.

This fall, let's continue our mobilization by inviting new people to:

Sign the petition for mandatory due diligence by Canadian companies operating abroad ([www.devp.org/act](http://www.devp.org/act)).

Become members to join the Development and Peace family and make a commitment to social justice

([www.devp.org/joinus](http://www.devp.org/joinus)).

Let's stand in solidarity with those who defend their rights, and the environment, for present and future generations.
