### Listen to the Voice of Creation

From 1 September to 4 October, Christians worldwide unite through Christ in prayer and action to protect our common home. This is our opportunity to care for creation and all beings who share it, to listen to the voices of those who are silenced and lament the individuals, communities, species, and ecosystems that are lost. In prayer and action we listen and respond to the cry of the Earth and the cry of those who are poor. The Season of Creation is a global celebration that began in 1989 with the Ecumenical Patriarchate's recognition of the day of prayer for Creation. This is a summary of the Season of Creation's Listen to the Voice of Creation celebration guide.

To find the whole guide go to

### World Day of Migrants & Refugees (WDMR):

**BUILDING THE FUTURE WITH MIGRANTS AND REFUGEES.** In order to walk together towards the WDMR, which will be celebrated on **Sunday, September 25, 2022**, the Migrants and Refugees Section (M&R) is setting up an itinerary that begins with the Holy Father's video message, where he emphasizes the fact that a better future is only possible if it is achieved together with the most vulnerable. Pope Francis reflects on the sub-theme "a future to build together" and involves us by directly asking us a question: How can we build a future where everyone lives in peace and prosperity? We are all invited to respond to Pope Francis' question. Send your own contribution by emailing a short video or photo to [media@migrants-refugees.va](mailto:media@migrants-refugees.va).

### Save A Family Plan's Urgent Appeal

Save A Family Plan has been a partner of the Diocese of London since 1973 and is located within St. Peter's Seminary. Earlier this month they launched an urgent appeal for impoverished families in India. A small group of benefactors have offered to double, dollar-for-dollar, donations made to Save A Family Plan until the end of August. Executive Director, Marisa Thorburn, explains: "For many of us, it seems like we are finally emerging from the global Covid-19 crisis, but the poorest of the poor in India continue to suffer after-effects such as economic devastation, runaway inflation, high food costs, and a falling rupee." If you are able to give a donation, please visit [www.safp.org](http://www.safp.org) to donate online or get the mailing address.
