Today we have the last of three ShareLife collections. The response of the parish has been encouraging. We do hope that we will reach our goal of \$40,000 with today's effort.

One of the great gifts of being part of the church is that we can practically know that we are there for people in need regardless of their faith or their history. The church's commitment to those who struggle in our city and to those who struggle around the world is a profound expression of the Gospel.

Thank you to all who have responded to ShareLife to-date and we invite those who have not, to take this opportunity to share life.

Our total to-date is \$ 33,574.00
We are 84% of the way to our goal!
